25TH January, 2018

Dear Sir/Madam,

RE: INDUSTRIAL ATTACHMENT: MULAA.M.MUTISYA:TU01-IC211-0398/2015

I am pleased to introduce to you our above named student pursuing a Bachelor of Science in Information Technology in the Mathematics and Informatics Department at Taita Taveta University.

One of our requirements for the Bachelor of Science in Information Technology is a 12 weeks industrial attachment for every student. The attachment is meant to expose the student to real work environment and enable them apply the concepts, issues and skills learnt in Bachelor of Science in Information Technology.

The Department will therefore be grateful if you can offer the attachment opportunity to the student in your organization. Should you have more opportunities available, we shall be grateful to send you more students.

Thanking you in advance,

Yours faithfully,

Nicholas M. Muthama

COD, Mathematics & Informatics
